

Donations & Contributions

Hotel Hope Ministries exists because of the generosity of people who choose to care.

Every donation helps us keep our doors open, ensuring that abandoned and surrendered babies are met with safety, warmth, and loving care, while at-risk mothers receive the support and dignity they need during their most vulnerable moments. There are many ways to get involved, from once-off or monthly financial contributions to donating goods or supporting our social enterprises. Each one plays a vital role in sustaining the work we do. Together, your support allows hope to remain a constant presence for the children and families who depend on us.

Needs List

Hotel Hope Ministries addresses South Africa's systemic poverty and inequality by focusing on vulnerable children. With over 17 years of experience, our model is built on three key pillars:

Providing care and love to abandoned babies in five family-style homes while ensuring they receive quality early childhood education.

Preventing baby abandonment by supporting teenagers in crisis pregnancies. Sustaining our work through innovative social entrepreneurship, including three secondhand stores that provide up to 30% of our annual income.
